

JULY: HOBBY ROOM

Is your hobby room or workshop getting cluttered? Take some time this month to clear out your space and give yourself room to create!

Craft Tools

Everything from paint brushes to measuring tools, we'll find a home for them!

Seating

Looking to create more space? Donate your extra stools, beanbags, chairs, and more!

Hobby Apparel

Every art has its own style. We'll craft a new purpose for aprons, gloves, boots, and more to pass the hobby down!

Collectibles

Are collectibles piling up? Leave some with us! Bring us your cards, figurines, and more!

Work Bench or Table

Looking to upgrade your current work table soon? Donate your gently used ones with us!

Thank you for supporting our mission to put people to work!
