

SEPTEMBER: KITCHEN

We all love a good cooking session. Let us take the extra kitchen essentials off your hands and find them a new home!

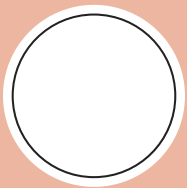

Pots and Pans

Noticed your pots and pans stacking up? We'll take them off your hands to continue the cooking fun!

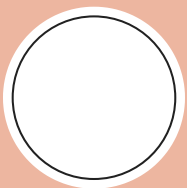

Plates

Plates can quickly pile up! If you have any extra, give them to us and we'll find them a new home!

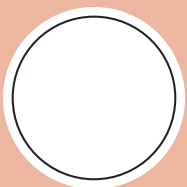

Glassware

Got a new glassware set coming soon? Drop off your gently used set with us!

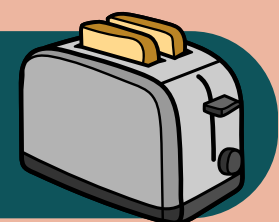

Cookbooks

New recipes are constantly being created. Pass off some recipes to us and we'll keep the fire burning!

Toasters

Looking to downsize on the kitchen appliances? We'll take that toaster you've got!

Thank you for supporting our mission to put people to work!
